Hiring Manager
Seven West Media
Australia

Dear Hiring Manager,

I am writing to express my interest in the Junior Analyst position at Seven West Media, as advertised. With my educational background in data science and machine learning, coupled with hands-on experience in data manipulation, analysis, and reporting, I am confident in my ability to contribute effectively to your Customer Engagement team and support the company's sales and marketing initiatives.

Throughout my academic journey at the Indian Institute of Technology Madras, I have acquired a strong foundation in analytical skills and data-driven decision-making. My coursework and projects have equipped me with advanced skills in data manipulation, statistical analysis, and visualization using tools such as Excel, PowerBI, and SQL. Moreover, my internship experiences at reputable organizations have provided me with practical exposure to real-world data challenges and honed my ability to derive actionable insights from complex datasets.

What particularly excites me about the Junior Analyst role at Seven West Media is the opportunity to work within a dynamic team environment and contribute to the success of a leading media organization. The chance to perform weekly sales and supply analysis, collaborate with team members to produce meaningful insights, and leverage my technical skills to optimize sales results align perfectly with my career aspirations.

Furthermore, I am impressed by Seven West Media's commitment to fostering an inclusive and diverse workplace culture, providing development opportunities, and offering flexible working conditions. I am eager to be part of a company that values employee wellbeing and supports professional growth and development.

In conclusion, I am enthusiastic about the prospect of joining Seven West Media and bringing my analytical skills, attention to detail, and collaborative spirit to your team. I am confident that my background and experiences make me a strong fit for this role, and I am eager to contribute to the company's success.

Thank you for considering my application. I look forward to the opportunity to discuss how my skills and experiences align with the needs of your team in more detail.

Warm regards,

Harsh Sagar
